

INTERNATIONAL PROGRAMS ERASMUS AND BILATERAL AGREEMENTS COURSE INFORMATION

Exchange and Erasmus students are, according to their academic level, admitted into:
Undergraduate program (3rd year of architectural studies, semester 5)
Graduate program (4th year of architectural studies, semester 1)

Undergraduate Program, Semester 5

Professors to be assigned on arrival. The exchange student will have to complete the following units to validate the required 30 ECTS (European Credit Transfer System) of this semester:

- Design studio (15 ECTS)
- Urban studies (4 ECTS)
- Landscape studies (4 ECTS)
- Engineering (4 ECTS)
- Graphic studies (3 ECTS)

In addition to these units, other subjects can be selected by the exchange student. This supplementary list would have to be accepted by the studies department, which will define the number of corresponding credits.

Graduate Program, Semester 1

Laboratory to be assigned on arrival. The exchange student will have to complete the following units to validate the required 30 ECTS (European Credit Transfer System) of this semester:

- all the lessons, workshops and exercises assigned by the teaching team from the chosen laboratory (20 ECTS)
- the "Champs Critiques" and "Fondamentaux de la Recherche" lecture series (10 ECTS)

APPLICATION PROCEDURE

Application material

All applications must include the following material:

- Completed application form
- Portfolio of academic work
- Statement of purpose
